Sec 7 (a). The Bachelor of Business Administration (BBA) programme

The Department of Management was established at the Institute in 1979. Presently, the Department offers different academic programmes in the field of management and its allied areas, which include Bachelor of Business Administration (BBA), Master of Business Administration (MBA), and PhD in Business Management. The state-of-art infrastructure of the department at main campus and its various Centers of the institute include fully equipped classrooms, seminar rooms and library facilities with required online databases. The faculty members are well qualified and highly committed with a blend of experience in industry. Senior professors from premier institutions and executives from industry are invited as visiting faculty to deliver guest lectures.

Need and Aim of the BBA Programme:

The mission of the BBA program is to equip the students with theoretical concepts, good communication skills and adequate business knowledge. The program also imparts requisite creative and ethical competency through intensive training for developing overall personality, thereby inculcating self confidence and team spirit of the student. The training pedagogy comprises of Case Analysis Presentations, Group Discussions, Problem Solving Techniques appraising the real life business problems with analytical ability and thus the students will be prepared to meet the expectations of the industry under fast changing virtual business environment. The graduates turn out to be well versed to opt for higher education or entry level managerial assignments. The former students of the BBA program of our institute are well placed in leading organizations in India and abroad, thereby adding laurels to their alma mater.

Academic System:

The 3 years full time program adopts a Semester system comprising of two semesters (Monsoon and Spring) in an academic year. The Monsoon semester is held during July to December while the Winter Semester is from January to May with sixteen weeks of class in each semester. The course structure includes Core Management subjects along with Functional electives in the areas of Finance, Marketing, Human Resources and Systems Management. The programme follows a combination of Progressive and End Semester Evaluation of student performance.

Sec 7 (b). The Bachelor of Computer Application (BCA) programme

The department of Computer Science & Engineering (CSE) at Birla Institute of Technology, Mesra was established with the commitment to motivate and nurture young minds for production of excellent manpower to meet the ever changing needs of industry. Over the years, the department has succeeded in creating its place of excellence among its counterparts in the country and abroad. The department is committed to provide budding technocrats with expert guidance and latest laboratory facilities for their technical upliftment and developments of professional traits. At present the department is offering two (2) undergraduate programmes in B.E.(CSE) and B.E. (Information Technology) and six (6) postgraduate programmes, viz., M.Tech(CSE), M.Tech(Information Security), M.Tech(Information Technology), MCA, M.E. (Software Engineering) and Ph.D. in different fields of Computer Science. These courses have been designed keeping in view the requirement of our primary stakeholders i.e. the students and their future prospects.

In view of the growing demand of IT professionals in the area of computer application, a course like BCA is the need of the hour, where students can apply the principles of computer science to solve problems arising interfacing business and technology. In this direction the department is successfully producing BCA students since 1998 for girls at its extension center in Lalpur. This has received a tremendous response and in 1990 two extra shifts were added to run the course for boys as well. Currently the BCA programme is being offered by the institute at its Jaipur, Lalpur, Noida, Patna Campuses, where students are exposed to various areas of computer applications including the latest developments in the industry and has been addressing the changing needs of IT industry by periodically updating the syllabus and including newer technology,

The primary objective of the course is to initiate young minds into the world of computer applications and provide them with a solid grounding in the domain of software. The course structure envelops all aspects required by a successful IT professional and on completion of the course, students will be absolutely ready to face the challenges of a dynamic and challenging industry.

After successful completion of this 3-years BCA course, students get placed in good organizations however, a large number of students also opt for higher education after completing the course.

Sec 8. Discipline, Rules & Regulations (including UGC Regulations on Ragging) and Medical Examination

Institute Rules & Regulations: For details of Institute rules and regulations, please see booklet provided at the time of admission.

Discipline

The Institute places a very high emphasis on discipline of students both inside and outside the campus. Students must abide by the Institute and agree to conform to the rules and regulations enforced from time to time. They must not do anything either inside or outside the Institute that will interfere with its orderly governance, discipline and image. Students must attend lectures, tutorials and practical classes regularly. A minimum attendance of 75% in lectures, tutorials and sessionals for each subject is essential for appearing in the Semester Examinations. Thus, students should attend all theory and laboratory classes from the first day of the academic year. In case of absence due to unavoidable circumstances, students are advised to take prior permission from the Dean / Head. In case of absence due to illness, students will have to produce a Medical report signed by attending Physician / Surgeon with an application from their parents or guardians. In such a case, parents/guardians should inform the authorities immediately. Students should strike a proper balance between extracurricular activities and academic requirements. A student's participation in extra-curricular activities should not be allowed to interfere in his/her academic schedule.

During teaching hours, the main lobby, the library, the corridors of the Institute and the area surrounding the Institute are to be observed as silence zones. Students must not cause any disturbance / obstacle in these zones. Students must not indulge in any kind of misconduct or indiscipline or anti-social activities within or outside the campus. Students must not form a group causing any hindrance to the academic and administrative activities of the Institute. Those found doing so will be punished and strict disciplinary action will be taken by the authorities. Students shall not damage the property of the Institute. Cost of such damage will be recovered from students, parents/guardians of the students.

Students must always carry their Identity Card and produce it on request. In case of loss or damage of Identity Card, the concerned authorities should be informed immediately.

Students are not permitted to enter and use the laboratory / workshop / sports ground if they do not wear appropriate dress. For example, they should enter the laboratory only with apron, cap or mask as instructed. Students should park their cycles in an orderly manner at the cycle stands. Students should follow the rules of the Canteen. Students are advised to read the Notice Boards regularly.

Students are strictly prohibited from possessing or consuming spirits, tobacco products and narcotic drugs either within or outside the campus, and if found violating this will be rusticated immediately, without warning.

Ragging in any form inside or outside the campus is strictly prohibited by law. Any students found ragging other students will be summarily expelled from the Institute and dealt with as per the directive of Hon. Supreme Court/Hon. High Court.

Each student must read the “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” on the UGC website. Each student admitted to any of the Institute’s programmes must submit the two completed affidavits [one from candidate and one from parents] at the time of admission. [for details please see Sec-10 of this Information Brochure].

Medical

All selected students will be required to undergo medical examination by a Medical Officer of the Institute and their admission is subject to being found medically fit for the Programme. Therefore, candidates, for their own satisfaction, are advised to get themselves examined by a registered medical practitioner.

Applicability of Regulations for the time being in force, Disclaimer and Legal Jurisdiction:

In Force

Notwithstanding the nature of a programme spread over more than one academic year, the regulations in force at the time a student joins a programme shall hold good only for the examinations held during or at the end of the semester. Nothing in these regulations shall be deemed to debar the Institute from amending the regulations subsequently and the amended regulations, if any, shall apply to all students old or new, as specified therein.

Disclaimer

The statements made in this Information Brochure and all other information, contained herein are believed to be correct at the time of publication. However, the Institute reserves the right to make at any or without notice, changes in and additions to the regulations, conditions governing the conduct of students, requirements for degree, fees and any other information, or statements contained in this Information Brochure. No responsibility will be accepted by the Institute for hardship or expense encountered by its students or any other person for such changes, additions, omissions or errors, no matter how they are caused.

Legal Jurisdiction

All disputes will be subject to jurisdiction of the Civil Courts at Ranchi city only.
