## IMPORTANT DATES

Availability of Application Form on the Institute website	<b>31<sup>st</sup> March 2022</b>
Tentative dates for sending provisional offer letters (1 <sup>st</sup> Batch)	<b>17<sup>th</sup> May 2022</b> (Whose filled-in application forms & fee received on or before 11 <sup>th</sup> May 2022)
Tentative dates for sending provisional offer letters (2 <sup>nd</sup> Batch)	<b>20<sup>th</sup> June 2022</b> (Whose filled-in application forms & fee received between 12 <sup>th</sup> May 2022 to 14 <sup>th</sup> June 2022)
Tentative dates for sending provisional offer letters (3 <sup>rd</sup> Batch)	<b>5<sup>th</sup> August 2022</b> (Whose filled-in application forms & application fee received between 15 <sup>th</sup> June 2022 to 3 <sup>rd</sup> August 2022)
Tentative dates for sending provisional offer letters (4 <sup>th</sup> Batch)	<b>12<sup>th</sup> September 2022</b> (Whose filled-in application forms & application fee received between 12 <sup>th</sup> August 2022 to 10 <sup>th</sup> September 2022)
Tentative dates for sending provisional offer letters (5 <sup>th</sup> Batch)	<b>01<sup>st</sup> November 2022</b> (Whose filled-in application forms & application fee received between 11 <sup>th</sup> September 2022 to 25 <sup>th</sup> October 2022)
Tentative dates for sending provisional offer letters (6 <sup>th</sup> Batch)	<b>15<sup>th</sup> November 2022</b> (Whose filled-in application forms & application fee received between 28 <sup>th</sup> October 2022 to 10 <sup>th</sup> November 2022)
Admission closes for each Discipline / branch at UG or PG level	As and when the seats are full or by a notice of the Dean [Admissions & Accreditation Coordination], whichever is earlier
Date for commencement of regular classes will be announced at a later stage	
Session will commence from [Tentative Date]	<b>UG: Date for commencement of regular classes will be announced at a later stage.</b> <b>PG: 08<sup>th</sup> August 2022.</b> (Exact date will be notified subsequently)

Date for commencement of regular classes will be announced at a later stage

**For any queries regarding admission, please contact the Admission Office at Mesra on +91-651-2276007, Email: [dr.aac@bitmesra.ac.in](mailto:dr.aac@bitmesra.ac.in)**

## Section 1: Academic Programs of the Institute

This brochure covers the direct admissions of students of Non-Resident Indian (NRI), Overseas Citizen of India [OCI], 'Foreign Nationals (FN) categories to the following Academic Programs of the Institute, at its Mesra (Main Campus), Ranchi. **The Academic Session will commence from July 2022.**

### A) Undergraduate Programs [After Class XII]:

1. **Bachelor of Technology (B.Tech.)** in the following disciplines [Duration: 4-year / 8-semester]:

a) Biotechnology	b) Chemical Engineering
c) Civil Engineering	d) Computer Science and Engineering
e) Electrical and Electronics Engineering	f) Electronics and Communication Engineering
g) Artificial Intelligence and Machine Learning	h) Mechanical Engineering
i) Production and Industrial Engineering	

2. **Bachelor of Pharmacy (B. Pharmacy)**, [Duration: 4-year/ 8-semester]  
 3. **Bachelor of Hotel Management and Catering Technology (BHMCT)**, [Duration: 4-year/ 8-semester]

### B) Postgraduate Programs:

1. **M.Tech. program in various specializations in the following disciplines:** [Duration: 2-year/4-semester]

a) Aerospace Engineering	b) Biotechnology
c) Civil Engineering (i) Soil Mechanics and Foundation Engineering (ii) Structural Engineering	d) Computer Science & Engineering
e) Electronics & Communication Engineering	f) Electrical Engineering
g) Environmental Science & Engineering	h) Mechanical Engineering
i) Remote Sensing	j) Production and Industrial Engineering

2. **M.Pharm program in the following specializations:** [Duration: 2-year / 4-semester]  
 a) Pharmaceutical Chemistry                      b) Pharmaceuticals  
 c) Pharmacology                                      d) Pharmaceutical Quality Assurance  
 e) Pharmacognosy
3. **MBA - Master of Business Administration**, [Duration: 2-year / 4-semester]  
 4. **MCA - Master of Computer Application**, [Duration: 2-year / 4-semester]  
 5. **MUP - Master of Urban Planning**, [Duration: 2-year / 4-semester]  
 6. **M.Sc. programs in the following disciplines**, [Duration: 2-year / 4-semester]  
 a) Biotechnology                                      b) Chemistry  
 c) Geo-Informatics                                      d) Physics
7. **Integrated M.Sc.** in Chemistry, Food Technology, Mathematics and Computing, Physics and Quantitative Economics & Data Science [after Class XII, Duration: 5-year / 10-semester]
8. **Doctoral Programs:** *The Institute also offers Ph.D. in various disciplines at Mesra and its Off Campuses. Please see separate notifications in Nov-Dec / June-July each year [Refer Admission Calendar] on the Institute website. Interested candidates may apply online and send the completed application with requisite enclosures, by the due dates, to the appropriate address mentioned in our notifications.*

## Section 2: Who Can Apply?

- Non-Resident Indians [NRI]
- Overseas Citizen of India [OCI]
- Foreign Nationals [Foreign Students]

**In addition to the minimum educational qualifications as prescribed for each program, a candidate seeking admission under this category of admission must fulfill the following conditions:**

1. The candidate must be Son or Daughter of NRI / OCI / Foreign Students

**OR**

2. The candidate must be citizen of a foreign land holding a valid passport issued by that country. These candidates shall pay prescribed fee in USD or equivalent.

**OR**

3. The candidate must have a duly valid certificate indicating OCI / Foreign Student status issued by a competent authority.

**Proficiency in English is required.**

### Notes:

1. Candidates with foreign diplomas should see the Ed.CIL website for equivalence (<http://www.edcil.co.in>), and if required should obtain an equivalence certificate **well in advance** from the evaluation division of the AIU (website <http://www.aiuweb.org>).
2. In case any Board awards grades instead of marks at the Class X / XI / XII level, the calculation of equivalent marks would be based on the procedure prescribed by the Board.
3. In case any University awards grades instead of marks at the graduate/postgraduate level, the calculation of equivalent marks would be based on the procedure prescribed by the Board / University.
4. In case a University does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing obtained CGPA with the maximum possible CGPA and multiplying the result with 100.

## Section 3: Eligibility Criteria for Undergraduate Programs

### Common Minimum Eligibility Criteria for all Undergraduate Programs (CMEC-UG)

- a) Only those candidates whose date of birth falls on or after 1 October 1997 are eligible for admission. [Date of Birth as recorded in the Secondary Education Board Class X (High School) certificate or equivalent only will be considered as authentic].
- b) Candidates must have passed with minimum 60% marks in Class X, XI and XII or Equivalent Examination. [Total Marks / Average / GPA in Class XII to be computed as per the respective Boards/ authority conducting the examination]. Further, candidates must have studied and passed certain required subjects / combinations of subjects in **Class XII** as given below.

S.No	Program	Other Eligibility Criteria in addition to the Common Minimum Eligibility Criteria for Undergraduate Programs (CMEC-UG) given above
1	<b>B.Tech.</b>	Candidates must have passed in Physics, Chemistry, Mathematics in Class XII / I.Sc. or Equivalent Examination, with minimum 60% marks (average of five subjects PCM + Eng + Anyone).
2	<b>B.Pharm.</b>	Candidates must have passed in Physics, Chemistry and in any one of: Mathematics / Biology / Biotechnology in Class XII / I. Sc. or Equivalent Examination with minimum 60% marks.
3	<b>BHMCT</b>	Candidates must have passed in English in Class XII / Intermediate or equivalent examination with minimum 60% marks.

#### Please also Note:

1. In case a Board/ authority only indicates Grades:  
Minimum average of Grade "C" / Minimum average Grade point of "4" in PCM / PCB in standard XII or Equivalent Degree, whatever the case may be, the grade point must be equivalent to 60%. [Equivalent marks proof to be produced by the applicant]
2. Candidates are advise to visit Ed.CIL website for equivalence (<http://www.edcil.co.in>), and if required should obtain an equivalence certificate well in advance from the evaluation division of the AIU ([website http://www.aiuweb.org](http://www.aiuweb.org)).

## Section 4: Eligibility Criteria for Postgraduate Programs

### 6A) Common minimum eligibility criteria for MBA, MCA, and M.Sc. programs

- a) Candidates must have passed with minimum 60% marks in average of all subjects in Class X and XII or Equivalent Examination.
- b) Candidates must hold a Bachelor's Degree or equivalent qualification of any of the Universities incorporated by an act of the Central or State Legislatures in India or other educational institutions established by an act of Parliament or declared to be Deemed as a University under section 3 of UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India / AIU. This degree must entail a minimum of three years of education after completing higher secondary schooling [Class XII or equivalent] (10+2+3 system).
- c) Candidates of B.Sc. / B.A. / B.Com. Honours must have minimum 60% marks in average in their Honours subject. Candidates of Bachelor of Computer Applications / other graduate courses must have minimum 60% marks in average in graduation.

### Other Criteria for MBA, MCA, and M.Sc. programs in addition to the Common Criteria above:

S.No.	Masters Programme (With Department Offering the course)	Qualifying Examinations / Disciplines Eligible
1	<b>MBA</b> (Management)	Graduate in any discipline
2	<b>MCA</b> (Computer Science & Engineering)	<b>a) Bachelor of Computer Applications OR</b> <b>b) B.Sc. in Computer Science OR</b> <b>c) B.Sc. in Information Technology OR</b> <b>d) B.Sc. in Computer Applications</b>
3	<b>Biotechnology</b> (Bio-Engineering)	B.Sc. with Biotechnology / Physical / Chemical / Biological / Agricultural / Pharmaceutical or equivalent
4	<b>Chemistry</b> (Chemistry)	B.Sc. with Chemistry
5	<b>Geoinformatics</b> (Remote Sensing)	a) Graduate in Agriculture / Atmospheric Sciences / Botany / Chemistry / Computer Applications / Computer Science / Disaster Management / Ecology & Environmental Sciences / Fisheries / Forestry / Geography / Geology / GIS / Information Science / Mathematics / Oceanography / Physics / Soil Science / Statistics / Town Planning / Zoology / allied disciplines. b) Candidates must have stereoscopic vision and normal colour vision.
6	<b>Physics</b> (Physics)	B.Sc. Honours with Physics, Chemistry, Mathematics or Physics, Chemistry, Statistics or equivalent

**6B) Common minimum eligibility criteria for M.Tech. programs**

- a) Candidates must have passed with minimum 60% marks in average of all subjects in Class X and XII or Equivalent Examination.
- b) Candidates must hold EITHER a
- B.E. / B.Tech. / AMIE / MCA / equivalent degree in the appropriate disciplines / branches mentioned below for the respective courses, with a minimum 60% marks in average in graduation / MCA.  
OR
  - M.Sc. / M.A. degree or equivalent in the appropriate disciplines / branches mentioned below for the respective courses with 60% after graduating with a Bachelor's Degree or equivalent qualification in 10+2+3 system from a recognized University.

**Other Criteria for M.Tech. programs in addition to the Common Criteria above:**

M.Tech. Program	Department offering the course	Specialization(s) offered	Eligible Branches	GATE Scholarships available
Aerospace Engineering	Space Engineering & Rocketry	-	B.E. / B.Tech. in Aeronautical Engineering/Aerospace Engineering/ Automobile Engineering/ Mechanical Engineering/Metallurgical Engineering/ Chemical Engineering/Polymer Engineering/ Civil Engineering/ Production and Industrial Engineering/Manufacturing Engineering/ Production Engineering/A.M.Ae.S.I./A.M.I.E./A.M.I.Ch.E.or equivalent	Available
Biotechnology	Bio-Engineering & Biotechnology		B.E. / B.Tech. in Biotechnology/ Biochemical Engineering / Chemical Engineering / Food Technology / B. Pharm or equivalent OR M.Sc. in Biotechnology / Biochemistry / Microbiology / Plant Biotechnology	Available
Computer Science & Engineering	Computer Science & Engineering		B.E. / B.Tech. in Computer Science/ Information Technology / Electronics / Electrical or equivalent OR MCA or M.Sc. in Computer Science / Information Technology / Electronics or equivalent with Mathematics at Graduate level	Available
Civil Engineering	Civil & Environmental Engineering	a) Soil Mechanics & Foundation Engineering	B.E. / B.Tech. in Civil Engineering	Available
		b) Structural Engineering	B.E. / B.Tech. in Civil Engineering	Available
Environmental Science & Engineering		-	B.E./ B.Tech. or equivalent in any branch of Engineering OR M.Sc. in Environmental Sciences or equivalent degree in any branch of Life Sciences and Biological Sciences	Available
Electrical Engineering	Electrical & Electronics Engineering	-	B.E/ B.Tech. in Electrical and Electronics Engineering/Electrical Engineering/Electronics Engineering/ Electrical and Instrumentation Engineering/Instrumentation and Control or Equivalent	Available

Electronics & Communication Engineering	Electronics & Communication Engineering		B.E. / B.Tech. in Electronics & Communication / Electronics & Instrumentation/ Computer Science and Engineering or equivalent OR M.Sc. Physics (Specialization in Electronics) / Electronics / Radio Physics and Electronics, MSc in Computer science also can apply for VLSI and Enbeded system specialization	Available
Mechanical Engineering	Mechanical Engineering	-	B.E. / B.Tech. in Mechanical Engineering / Production and Industrial Engineering / Energy / Aeronautical Engineering/ Aerospace Engineering/ Mechatronics OR AMIE in Mech Engineering/Aerospace Engineering OR Any other relevant field	Available
Production and Industrial Engineering	Production and Industrial Engineering	-	B.E. / B.Tech. in Production Engineering /Manufacturing Engineering/ Mechanical Engineering/ Industrial Engineering / Electronics & Communication Engineering/ Computer Science Engineering / Mechatronics / Electrical Engineering	Available
Remote Sensing	Remote Sensing	-	a) B.E. / B.Tech. in any branch of Engineering or B.Arch., OR b) Masters degree in Agriculture / Atmospheric Sciences / Botany / Climatology / Chemistry / Computer Applications / Computer Science / Disaster Management / Electronics / Environmental Science / Fisheries / Forestry / Geography / Geology / Geophysics / Geo- Informatics / GIS / Information Science / Mathematics / Meteorology / Oceanography / Physics / Remote Sensing / Soil Science / Statistics / Town Planning / Zoology / allied disciplines. c) Candidates must have stereoscopic vision and normal colour vision.	Available

### 6C) Common minimum eligibility criteria for M.Pharm. program

- Candidates must have passed with minimum 60% marks in average of all subjects in Class X and XII or Equivalent Examination.
- Candidates must hold a B.Pharm. degree from a PCI and AICTE recognized Institute. Candidates must have a first class or minimum 60% marks in average in graduation. In case the examining Board does not award a class, the percentage marks in graduation will be computed as average of marks obtained in all subjects in which candidate has appeared (excluding optional subjects).

### Other Criteria for M.Pharm. program in addition to the Common Criteria above:

Program (with Department Offering the course)	Specializations	Eligible Branches
M.Pharm (Pharmaceutical Science & Technology)	a) Pharmaceutics	Candidate must hold a B. Pharm degree from PCI & AICTE approved Institute
	b) Pharmaceutical Chemistry	
	c) Pharmacognosy	
	d) Pharmacology	
	e) Pharmaceutical Quality Assurance	

**6D) Common minimum eligibility criteria for Master of Urban Planning (MUP) program**

- a) Candidates must have passed with minimum 60% marks in average of all subjects in Class X or equivalent examination.
- b) Candidates must have passed with minimum 60% marks in Class XII / Equivalent Examination.
- c) Candidates must hold either a
  - i). B.Arch. / B.Planning or equivalent or B.E. in Civil Engineering with a first class or minimum 60% marks in average in graduation [as per clause c (i) in 5C] OR an
  - ii). M.A. / M.Sc. degree in Geography, Economics, Sociology or Statistics with first class or 60% marks in average, after graduating with a Bachelor's Degree or equivalent qualification in 10+2+3 system from a recognized University, with minimum 60% marks in average in graduation [as per clauses (c) and (d) of Common Minimum Eligibility criteria for MBA, MCA, M.Sc. programs above - please see 6A above]

**Other Criteria for Master of Urban Planning program in addition to the Common Criteria above:**

Program (With Department Offering the course)	Qualifying Examinations / Disciplines Eligible
Master's in urban Planning (MUP) (Architecture & Planning)	B. Arch / B. Planning or equivalent / B.E. Civil OR M.A. / M.Sc. Geography, Economics, Sociology or Statistics

**6E) Common minimum eligibility criteria for 5-Year Integrated M.Sc. programs**

- a) Only those candidates whose date of birth falls on or after 1 October 1997 are eligible for admission. Date of Birth as recorded in the Secondary Education Board Class X (High School) certificate or equivalent only will be considered as authentic.
- b) Candidates must have passed with minimum 60% marks in average in Class X, XI and XII or Equivalent Examination. Further, candidates must have studied and passed certain required subjects / combinations of subjects in Class XII as given below.

S.No	Program(with Department Offering the course)	Other Eligibility Criteria in addition to the Common Minimum Eligibility Criteria
1.	Integrated M.Sc. in Chemistry (Chemistry)	Pass in Class XII / QE (Equivalent Qualifying Examination) with English, Physics, Chemistry, Mathematics / Biology
2.	Integrated M.Sc. in Mathematics & Computing (Mathematics)	Pass in Class XII / QE (Equivalent Qualifying Examination) with English, Physics, Chemistry, Mathematics
3.	Integrated M.Sc. in Physics (Physics)	Pass in Class XII / QE (Equivalent Qualifying Examination) with English, Physics, Chemistry, Mathematics
4.	Integrated M.Sc. in Food Technology (Chemical Engineering)	Pass in Class XII / QE (Equivalent Qualifying Examination) with English, Physics, Chemistry, Mathematics
5.	Integrated M.Sc. in Quantitative Economics and Data Science (Centre for Quantitative Economics & Data Science)	Pass in Class XII / QE (Equivalent Qualifying Examination) with English, Physics, Chemistry, Mathematics

**Please also note:**

In case a Board/ authority only indicates Grades:

Minimum average of Grade "C" / Minimum average Grade point of "4" in Degree/ education levels mentioned, whatever the case may be, the grade point must be equivalent to 60% for all cases wherever such minimum %age marks is indicated. [Equivalent marks proof to be enclosed]

## Section 5: How to Apply and Selection Procedures

### How to Apply:

1. Interested and eligible candidates of NRI / OCI / FN category, who wish to apply for admission to an academic program listed in Section 1, may apply online.
2. [Please refer instructions for filling online application form.](#) To fill online application form, click on the link “**APPLY ONLINE**”. Register and create password for the application process. Do not share the password with anybody.
3. To apply for any program, eligible candidates must complete and submit the application through online only.
4. Pay the application fee of USD 250 (Non-refundable) through electronic transfer to  
Birla Institute of Technology  
A/c No. **0063102000033901**  
with IDBI Bank Ltd., Main Road, Ranchi  
Swift Code No. **IBKLINBB017**

#### Note:

- **Please pay the banking charges as an extra, if any.**
  - **Payment through DD will not be accepted.**
  - For procedures of electronic payment of fees after admission, please contact Dy. Finance Officer on +91-651-2275808 or email: [dy.fo@bitmesra.ac.in](mailto:dy.fo@bitmesra.ac.in)
5. Candidates are advised to go through the eligibility criteria, details of fees, maintenance costs and other conditions given in this Brochure before submitting their applications.

### Procedures for submitting Application Form:

- Submit the Application Form online only.
- Take a printout of the Application Form and sign the declaration.
- **Send the filled-in application form along with required documents by email as an attachment [including scan of receipt of electronics transfer] at [dr.aac@bitmesra.ac.in](mailto:dr.aac@bitmesra.ac.in) by the due date.**
- Handwritten form will not be accepted.

### Selection Procedures:

#### (A) Undergraduate Programs:

- Provisional selections to B.Tech. B.Pharm., BHMCT and Integrated M.Sc. Programs will be based on marks obtained by the candidates in Class X, XI and XII. The Candidates should have minimum 60% marks throughout in Class X, XI and XII. Candidates appearing for qualifying examination (Class XII) may also apply by submitting an undertaking that in case they fail to obtain the minimum 60% marks in Class XII, their admission offer stands cancelled.
- In case of a tie, merit will be determined based on marks obtained by the candidates in Mathematics, Physics and Chemistry at Class X and XI level (aggregate).

#### (B) Postgraduate Programs:

- Provisional selections to all postgraduate programs will be based on marks obtained by the candidates in Class X, XII and Graduation/Postgraduation. The Candidates should have minimum 60% marks throughout in Class X, XII and Graduation/ Postgraduation. Candidates appearing for qualifying examination (graduation / postgraduation) may also apply, subject to having minimum percentage of marks (above 60%) upto pre-final year of graduation/ postgraduation.

After getting an offer letter, candidates will be required to pay the Admission Fee of USD 250 (One Time) and 1st Semester fee as applicable before the due date. **Fees once paid are non-refundable in any case.**

#### Note:

- Marks will be computed as per norms/policy of the respective Board / Authority conducting the examination.
- The candidates will be required to report in the Admission Office for verification of documents before commencement of regular class. For the aforesaid purpose, it is advisable that the appointment may be sought for a date of earliest convenience.

## Section 6: Financial Information

### Fee structure for students of NRI / OCI / FN Category at Mesra [Main Campus] with effect from Academic Session 2022-23

Slabs	Programs	Tuition and Institute fees (Including hostel fee) per semester (in USD)		Duration Years / Semesters
		Non-SAARC Countries	SAARC Countries	
		Category - A	B.Tech., B.Pharm, BHMCT	4500
Category - B	MBA	4500	3825	2 Years / 4 Semesters
Category - C	M.Tech., M.Pharm., MUP and MCA	4000	3400	2 Years / 4 Semesters
Category - D	M.Sc.	3500	2975	2 Years / 4 Semesters
Category - E	Integrated M.Sc.	2500	2125	5 Years / 10 Semesters
Category - F	Ph.D. *	3000	2550	-

\* Entrance Test is mandatory.

#### Notes:

- a) OCI Candidates and candidates from the SAARC countries may pay their fee in INR equivalent to USD with bank certificate (same date) for exchange rate.
- b) Besides of Tuition and Institute fees (including hostel fee) per semester, the candidates will also be required to pay USD 250 towards admission fee (one-time) during admission.
- c) Hostel facilities fees indicated are inclusive of Hostel Seat Rent, Electricity & Transport etc. Food charges are not included. **Students must deposit an amount of INR 20,000/- towards mess advance and INR 5,000/- Hostel Caution Money (One Time only - Refundable) at the time of admission.**
- d) All charges and fees are to be paid through electronic transfer to Birla Institute of Technology, A/c No. **0063102000033901**, with IDBI Bank Ltd., Main Road, Ranchi, Swift Code No. **IBKLINBB017**, (please include banking charges). **Fees once paid are non-refundable in any case.**
- e) For procedures of online payments after admission, please contact Dy. Finance Officer, Birla Institute of Technology, Mesra, Ranchi, on 91-651-2275808 or email: [dy.fo@bitmesra.ac.in](mailto:dy.fo@bitmesra.ac.in). Bank Charges should be factored into the online payments.

## Section 7: Life on Campus

The campus at BIT Mesra is a microcosm of a world in itself. It is not just enough to say that students find here a home away from home, for campus life for a BIT-ian is definitely a lot more. It is actually an involved experience, the essence of which becomes the steering force for many BIT alumni in the years thereafter - in other words, it's simply great!

One can feel the transition palpably the moment the University grounds are entered. The proximity of two rivers makes the sprawling green campus even more beautiful and an idyllic option for youngsters to hang out in. It is almost surprising how the campus is always alive with activity long outside the 'toil and trouble' induced by a comprehensive academic curriculum.

BIT's academic programs are conceived with industry needs in mind and are constantly evolving with every advancement in respective fields. The campus is equipped with state-of-the-art central facilities including an extensive library that is a model in its kind. Apart from these each department is supported by lecture halls, research and training laboratories, workshops and other learning facilitators.

Being a fully residential campus, living and learning go hand-in-hand at BIT Mesra with a wide array of co-curricular activities, hobbies and interactive clubs and societies to choose from. The surest way to merge naturally with BIT's close-knit community is to participate in its proactive social forums and programs that cater to diverse interest groups. In addition to day-to-day events, BIT also holds annual fests on an extravagant scale that are very famous and popular with contemporary fest-hopping crowds.

### Students Clubs and Societies

Students Clubs and Societies constitute the core of BIT's campus experience and reflect the quality of excellence outside academic spheres. They serve as common forums to share and promote resources in diverse areas of interest.

Student activity hubs enhance learning by developing valuable personality traits and skills that aid their classroom training. While some bodies provide a strong platform to budding professionals for applying their classroom learning, others are vehicles for showcasing talent and connecting like-minded people. Students clubs and societies are also an excellent platform of interaction between existing students, eminent alumni and professionals in related areas of interest and of building networks while exploring career opportunities.

BIT students also represent world-renowned organizations like UNESCO, SPIC-MACAY and ROTARACT and are proactively involved in their activities.

### Clubs and Societies at BIT

- Audio Visual Educational Club (AVEC)
- Bhartiya Sahitya Parishad (BSP)
- Music Club
- Highlander Adventure Club (HAC)
- Engineering Society
- Indian Association for College Going Scientists (IACGS)
- Institute of Electrical Engineers
- Institute of Electrical & Electronics Engineers
- Mechanical Engineering Society
- Organising Body of Students Of Architecture (OBSA)
- Photographic Society

## Sports Facilities

BIT campus life accommodates a prolific range of co-curricular activities as part of its daily routine. Apart from ensuring the physical wellbeing of students, it is also essentially a way of life for BIT-ians and helps them come together on numerous occasions in a spirit of healthy rivalry and true sportsmanship. Whether it is a casual face-off between friends, intra-college championships or inter-college tournaments organized on a grand scale, students of BIT have proved their worth in the field of sports time and again.

The Department of Physical Education and sports regularly organizes training camps and courses and is well equipped with appropriate facilities.

### BIT's Games and Sports Complex includes:

- Gymnasium
- Stadium for Track & Field events
- Cricket, football and hockey grounds
- Basket Ball, Volley Ball, tennis and badminton courts
- Kho - Kho and Kabaddi grounds

## Campus Facilities

The well-appointed campus facilities at BIT Mesra serve the manifold needs of BIT community life. It is accepted here that exploring the full potential of student life needs to incorporate parallel methods of learning with provision for complete self-expression.

BIT Mesra is a fully residential campus, providing accommodation to approx. 3200 undergraduate and postgraduate students and 2000 members of the faculty and staff. The main building accommodates lecture halls, research and training laboratories, library, administrative offices etc. covering an area of 30,000 sq. mtrs while the workshop annexure has a covered area of 4,000 sq. mtrs. The laboratories and offices of the Department of Space Engineering & Rocketry comprise a sub-campus that is some distance away from the main building for reasons of security.

The campus has vast expanse of green dotted with facilities for cultural, recreational and sports activities. The campus is in every sense a melting pot for diverse interests, influences and cultures that blend to create the unique strength that represents BIT Mesra.

## Residential Campus

The Institute is completely residential with eleven hostels for boys and three separate ones for girls. All student lodging houses are spacious and beautifully laid out amidst a lot greenery.

Each male-student is provided with well-furnished single-accommodation while girls share their accommodation in spacious and adequately furnished rooms. Individual rooms are constructed in a row with a wide veranda for common use running along the length of passage. Common facilities at the hostel include dining halls and common rooms with provision for several indoor games. The reading room in each hostel subscribes to a large number of magazines, periodicals and newspapers. The entertainment hall in each hostel has a colour television set. Each hostel has an independent mess, completely run and managed by the students themselves.

The hostels are a hub of leisure activities. Students are encouraged to pursue a wide range of extracurricular activities and hobbies in their free time and events both entertaining and competitive are arranged quite frequently. Inter-hostel tournaments of indoor and outdoor games, quizzes, competitions and adventure trips are very popular at BIT Mesra.

The 'Hostel Night' organized by resident students is a memorable yearly event where students interact with the faculty members amidst cultural programs and a lot of fun in a shared mood of festivity.

## Other Facilities at the BIT Campus

In addition to on-campus hostel arrangements, students have access to plenty of facilities for learning, recreation as well as sports activities within the grounds of BIT Mesra. The stately campus is self-contained in every sense with well-thought out provisions appointed for every need of the campus residents, be it the students, faculty or other staff members.

Facilities include two auditoriums that can accommodate as many as 2,500 people. This is an ideal venue for cultural events organized by the student community. The Institute has a well-appointed Gymnasium, indoor game facilities and extensive playgrounds for pursuing various outdoor sports. The campus also has two canteens and several other eating options within the premises. As young people mostly prefer to hang out in groups, all the campus eateries are very popular gathering zones. In addition, the Institute maintains three Guest Houses for accommodating guests appropriately.

The Campus has a Shopping Complex and consists of the Co-operative Stores in addition to the stationery shop, tailoring units, cafeterias etc. These provide for the daily requirements of the campus of nearly 5,000 residents. The construction of a full-fledged Marketing Complex and Cooperative Book Store to meet the growing needs of the Campus has recently been completed. Apart from this, the campus also houses a railway reservation counter and post office for the benefit of the residents.

Significant is the on-campus dispensary that provides for several diagnostic procedures and preventive & curative treatments. Emergency cases that require more specialist attention in intensive care facilities are referred either to the local Rajendra Institute of Medical Sciences, Ranchi or to Apollo Hospital Erba, also in Ranchi. A Doctor from the campus Health Centre accompanies the patient in case of an emergency. The Institute maintains a liaison with the doctors of these two hospitals. The campus Dispensary-cum-Health Centre also provides free treatment and supply of medicines to residents of local villages in the region.

## Section 8: Placement

For decades now, the Campus Recruitment Programme of BIT has been an example for several other institutions by catering to the demands of the industry.

The Campus Recruitment Programme is organized as a central activity for BIT students from all centres at the Mesra Campus and also separately at the Jaipur, Noida, & Patna Campuses.

With their diverse yet in depth technical knowledge and well-rounded soft skills, BIT students are industry ready to successfully contribute to any firm they become a part of. BIT has an excellent placement record and this is reflected in their consecutive campus recruitment drives. This bears testimony to the faith and confidence that the recruiters have on us. The satisfaction they gain from a well nurtured, competent, all-rounder BITian is, without any exaggeration, unparalleled.

Whether a firm requires candidates for internship or fresh talent for recruitments, the BIT Placement Office is always ready to facilitate the search for the ideal candidates through the well-structured Campus Recruitment Programme.

The Placement Office, along with a team of qualified Student Placement Coordinators extends its hearty welcome to all the esteemed corporations who participate in our Campus Recruitment Programme. We congratulate you all and look forward towards meeting you.

Major category of recruiters who visit the campus for placement and internship, ranges from Investment Banks to Analytics & Consulting, Automobile to Heavy Engineering and Infrastructure, IT Product to IT Services. To name some of the recruiters are, Atlassian, Goldman Sachs, MicroSoft IDC, Walmart Labs, American Express, Synopsis, Qualcomm, Intel, Infineon, PWC, KPMG, Stellium, Samsung R&D, Maruti Suzuki, Tata Steel, Hindalco, Tata Motors, Accenture, Amazon, Indian Oil, Deloitte, DRL, Cipla, Novartis, ICICI Bank, Axis Bank, Société Générale, Infosys, Cognizant etc.

## Section 9: Discipline, Rules & Regulations, Hostel and Medical Examination

**Institute Rules & Regulations:** For details of Institute rules and regulations, please see booklet provided at the time of admission.

### Discipline

The Institute places a very high emphasis on discipline of students both inside and outside the campus. Students must abide by the Institute and Hostel rules and agree to conform to the rules and regulations enforced from time to time. They must not do anything either inside or outside the Institute that will interfere with its orderly governance, discipline and image. Students must attend lectures, tutorials and practical classes regularly. A minimum attendance of 75% in lectures, tutorials and sessionals for each subject is essential for appearing in the Semester Examinations. Thus, students should attend all theory and laboratory classes from the first day of the academic year. In case of absence due to unavoidable circumstances, students are advised to take prior permission from the Dean / Head. In case of absence due to illness, students will have to produce a Medical Certificate with an application from their parents or guardians. In such a case, parents/guardians or Hostel Warden should inform the authorities immediately. Students should strike a proper balance between extracurricular activities and academic requirements. A student's participation in extra-curricular activities should not be allowed to interfere in his/her academic schedule.

During teaching hours, the main lobby, the library, the corridors of the Institute and the area surrounding the Institute are to be observed as silence zones. Students must not cause any disturbance in these zones. Students must not indulge in any kind of misconduct or indiscipline or anti-social activities within or outside the campus. Students must not form a group causing any hindrance to the academic and administrative activities of the College. Those found doing so will be punished and strict disciplinary action will be taken by the authorities. Students shall not damage the property of the Institute. Cost of such damage will be recovered from students, parents/guardians of the students.

Students must always carry their Identity Card and produce it on request. In case of loss or damage of Identity Card, the concerned authorities should be informed immediately.

Students are not permitted to enter and use the laboratory / workshop / sports ground if they do not wear appropriate dress. For example, they should enter the laboratory only with apron, cap or mask as instructed. Students should park their cycles in an orderly manner at the cycle stands. Students should follow the rules of the Hostel Mess / Canteen. Students are advised to read the Notice Boards regularly.

Students are strictly prohibited from possessing or consuming spirits, tobacco products and narcotic drugs either within or outside the campus, and if found violating this will be rusticated immediately, without warning.

Ragging in any form inside or outside the campus is strictly prohibited by law. Any students found ragging other students will be summarily expelled from the Institute and dealt with as per the directive of Hon. Supreme Court/Hon. High Court.

**Each student must read the “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” on the UGC website. Each student admitted to any of the Institute's programs must submit the two completed affidavits [one from candidate and one from parents] at the time of admission. [Please refer Annexure -II].**

### Hostel

Hostel facilities are provided at BIT Mesra. All students are required to reside in one of the Institute hostels, to which they are allotted and must take food along with other inmates of the hostel in the common mess. There are separate hostels for girls' students.

### Medical

All selected students will be required to undergo medical examination by a Medical Officer of the Institute and their admission is subject to being found medically fit for the Program. Therefore, candidates, for their own satisfaction, are advised to get themselves examined by a registered medical practitioner.

The Institute at Mesra is located in a spacious green campus. There are small forests with a large number of trees - mostly sal trees which are native to Chotanagpur. These sal trees and a number of other trees and plants have their flowering season during mid-February to early April, and this sometimes leads to large pollen content in the air. It has been noted that some people who are allergic or susceptible to pollen from these sal trees / other plants may develop some health problems / breathing problems or their existing problems may be aggravated during these weeks, as also during some other months of the year when other plants flower. Thus, such candidates who are known to be sensitive or susceptible to pollen from trees or other plants are required to get allergy tests done / take advice from their physicians / a specialist before taking admission at Birla Institute of Technology, Mesra, Ranchi.

### Applicability of Regulations for the time being in force, Disclaimer and Legal Jurisdiction:

#### In Force

Notwithstanding the nature of a program spread over more than one academic year, the regulations in force at the time a student joins a program shall hold good only for the examinations held during or at the end of the semester. Nothing in these regulations shall be deemed to debar the Institute from amending the regulations subsequently and the amended regulations, if any, shall apply to all students old or new, as specified therein.

#### Disclaimer

The statements made in this Information Brochure and all other information, contained herein are believed to be correct at the time of publication. However, the Institute reserves the right to make at any or without notice, changes in and additions to the regulations, conditions governing the conduct of students, requirements for degree, fees and any other information, or statements contained in this Information Brochure. No responsibility will be accepted by the Institute for hardship or expense encountered by its students or any other person for such changes, additions, omissions or errors, no matter how they are caused.

#### Legal Jurisdiction

All disputes will be subject to jurisdiction of the Civil Courts at Ranchi city only.
