

RACEE 2026

About the Conference

The national conference 'Recent Advances In Civil And Environmental Engineering' (RACEE-2026) is an attempt to provide a forum for the exchange of knowledge and expertise between different related research fields of Civil and Environmental Science and Engineering including structures, water resources and environmental science and engineering, geotechnical engineering, transportation and materials. It aims to bring together the faculties, scholars, industries, policy makers and students of related fields to foster interdisciplinary approach towards innovative theories, methodologies, tools and applications for a sustainable tomorrow.

Registration Details

Authors are invited to submit extended abstracts (up to two pages) for poster and oral presentations aligned with the themes of **RACEE-2026** through the submission link: <https://tinyurl.com/yrxpnk8v>
After acceptance, complete registration by paying the fee through the registration link on the SBI Collect portal by selecting **Educational Institutes**, choosing **Birla Institute of Technology**, and selecting **RACEE-2026** to finalize your registration.

<https://rb.gy/pcnhsa>

Important Dates

Abstract Submission Deadline - Feb 20, 2026
Abstract Acceptance - Feb 28, 2026
Last date for Registration - Mar 15, 2026

Registration Fees (Rs)

Industries & NGOs – 4500/-
Faculties – 3500/-
Students & PhD Scholars – 2000/-

***Registration includes seminar kit, lunch, gala dinner, and high tea. Travel is at participants' expense; paid accommodation is available, subject to availability.**

Note: Selected abstracts will be published in conference proceedings with an ISBN number and a DOI.

NATIONAL CONFERENCE ON RECENT ADVANCES IN CIVIL AND ENVIRONMENTAL ENGINEERING

24th & 25th MARCH, 2026

Organized by
Dept. of Civil and Environmental Engineering,
Birla Institute of Technology, Mesra, Ranchi

Contacts

☎ Dr. Tanushree Bhattacharya - 7250247812

☎ Dr. Puja Rajhans - 9939158657

✉ racee2026@gmail.com

Organising Committee

Patron	Prof. Indranil Manna
Chairperson	Dr. R. Naresh Kumar
Conveners	Dr. Tanushree Bhattacharya Dr. Puja Rajhans
Organizing secretaries	Dr. Jawed Iqbal Dr. Neeta Kumari Dr. Ashish Kr. Patnaik Dr. Mani Mohan
Coordinators	Dr. Saptarshi Lahiri Dr. Anupam Das Dr. Ashes Banerjee Dr. Prodip Kumar Sarkar
Advisors	Prof. Anand Kumar Sinha Prof. Bindhu Lal Dr. Siddhartha Sengupta Dr. Sukalyan Chakraborty

Esteemed Speakers

1. Prof. Kalachand Sain (CSIR-National Geophysical Research Institute, Hyderabad)
2. Prof. Vasant Matsagar (IIT- Delhi)
3. Prof. Jayanta Kumar Biswas (University of Kalyani)
4. Prof. Abhijeet Mukherjee (IIT-Kharagpur)
5. Prof. Chandra Shekhar Prasad Ojha (IIT- Roorkee)
6. Prof. Sarat Kumar Das (IIT-ISM Dhanbad)

Conference Themes

- Structural Engineering
- Geotechnical Engineering
- Geological Engineering
- Water Resource Engineering
- Earthquake Engineering
- Transportation Engineering
- Green Materials and Green Building
- Ecological Science and Engineering
- Energy and Environment
- Sustainable Development
- Environmental Pollution (Air, Water, Soil, Noise) monitoring
- Emerging contaminants monitoring and control
- Pollution remediation technologies
- Application of machine learning in Civil Engineering, Environmental Science and Engineering

Welcome to Our City, Ranchi

Ranchi, the heart of Jharkhand, blends urban life with natural beauty. Known as the 'City of Waterfalls', it harmonizes bustling cityscape with serene landscapes. Rich in culture. Ranchi offers a vibrant fusion of tradition and modernity.

About the Institute

For over seven decades, BIT Mesra (located 16 Kms from Ranchi, The Jharkhand state-capital) has been engaged in nurturing mind through a rich heritage of academic excellence. Essentially a hub of bustling student activities, the beautiful campus has been a second –home of thousands of students in their journey to challenge the times. Established in 1955 by visionary-industrialist Mr. B. M. Birla, it is today one of the most premier engineering destinations in India.

About the Department

The **Department of Civil Engineering** was established in the year 1957. It is one of the oldest departments and has the infrastructure and facilities to match with the very best in the country. It was renamed as **Department of Civil and Environmental Engineering** in 2014, when Environmental Science & Engineering Group was merged. There are well-established laboratories in the department. The faculty members are well-qualified and have degrees from reputed institutions. They are actively involved in research and consultancy. The department has contributed a lot to the infrastructural, pollution monitoring and control and industrial growth in Jharkhand by providing technical expertise.

**Birla Institute of Technology,
Mesra, Ranchi, Jharkhand-
835215**

Accommodation Details

❑ BIT Hostel's Rate: **Rs. 350/ per day (Including GST)**

❑ Institute Guest House (IGH) Rate:

Single occupancy (per day)

Category:

- **Small:** Rs.1200 (Single Bed) +5% GST
- **Medium:** Rs. 1500 (Double bed) + 5% GST
- **Large:** Rs. 2000 (Double bed) +5% GST

Rate: Double occupancy for each (Per day): Rs. 1000, 1200 and 1500 +5% GST in each of the above three category rooms

Note: The rooms can be booked strictly based on availability.

Contacts for accommodation:

For IGH:

Dr. Ashish Kumar Patnaik: 7504831134
Dr. Sukalyan Chakraborty: 8521761339
Dr. Prodip Kumar Sarkar: 8017774496

For Hostel

Boy's Hostel

Shouvik Das: 8918531180
Shivam Shekhar: 9319512519
Saurav Patel: 6370337573

Girl's Hostel

Akanksha Kumari: 7004960097
Anushree Pal: 9475365905
