

**Department Wise:**

**Program Name:**

- 1. Bachelor of Technology in Computer Science and Engineering**
- 2. Bachelor of Computer Application (4 years) as per NEP 2020**

**Notable Alumni:**

	<p>Ms. Taanya Ambastha completed her B.E. from the Department of Computer Science and Engineering in 2016. She qualified in UPSC 2019 examination with AIR 237. She is selected as IA&amp;AS Officer Trainee in Indian Audit and Accounts Department by the Govt. of India.</p>
	<p>Mr. Swapnil Sinha completed his B.E. from the Department of Computer Science and Engineering in 2022. Currently, he works as a software engineer at a B2B SaaS company for US cross-border startups. With a diverse background, Swapnil has worked in various computer science areas, including open source and machine learning research. He was selected for Google Summer of Code, collaborating with the Wikimedia Foundation on a paid open source project. Swapnil also conducted research on privacy in machine learning at a French university during his internship.</p>
	<p>Mr. Aman Sharma completed his B.E. from the Department of Computer Science and Engineering in 2019. He is a serial tech entrepreneur and has experience of bootstrapping tech startups 3 times and created 20+ digital products. He built four startups i.e. KiEvents, Mobile-web.dev, Dinnerfy and twimbit. He is also a former ML researcher at TU Vienna Informatics, where he worked on building recommender systems using CNN. He featured as the top CTO of India and recognized among the world's most influential tech business leaders.</p>
	<p>Mr. Nitin Kamal completed his B.E. from the Department of Computer Science and Engineering in 2015. He is the Co-Founder of Data Monk, a company dedicated to providing the very best of Analytics and Data Science, with an emphasis on Data Analyst, Data Science, Business Analysis, and Data Engineering. He is also working as Business Intelligence in Ola. Previously, he worked in various positions in the field of data science in OYO and Mu Sigma.</p>

Mr. Amit Srivastava completed his B.E. from the Department of Computer Science and Engineering in 2011. He is presently working as Principal Software Engineer at Amazon. Previously, he worked as System Software Engineer in HP R&D and subsequently joined Amazon in 2013, as Software Development Engineer. Being in Amazon Seattle, he launched the “I have space (IHS)” program in India. He also developed the mechanism to fast-track the crowdsource employee onboarding

Mr. Aditya Arun completed his Bachelor's degree in Computer Science and Engineering in 2013. He is currently working as a Graduate Research Assistant at IIT Hyderabad. Prior to his research role, Mr. Arun co-founded Drishyam.ai, where he actively contributed to the development and implementation of cutting-edge technologies in the fields of Deep Learning, Machine Learning, Artificial Intelligence, and Computer Vision. Before his entrepreneurial venture, Mr. Arun gained valuable industry experience as an Associate System Engineer at IBM, where he worked on various projects and honed his technical skills.

Mr. Vijay Prakash completed his B.E. from Department of Computer Science and Engineering in 2012. He is presently working as Chief Architect at Pocket Aces Pictures. He also worked in Phone Warrior, NuvoEx, and AudioCompass in various positions Externalizing the existing Internal Amazon tool (Company-wide solution) for on-field employees, Authorization Platform powered by Attribute-based access control.

**Program Name: Bachelor of Technology in Electronics and Communication Engineering**

**Notable Alumni**

	<p>Mr. Sidharth Kumar completed his B.E. from Department of Electronics and Communication Engineering in 2011. He qualified in the UPSC examination and was selected for Indian Revenue Services. Presently, he is a Deputy Commissioner in IRS in New Delhi.</p>
	<p>Ms. Tanusa Majumdar completed her B.E. from Department of Electronics and Communication Engineering in 2020. She is a business and data analytics trainer and freelancer working in EdYoga. She is also Assistant Manager-Trust &amp; Safety in Swiggy. Previously she also worked in Accenture and ZS Associates as Data Science Analyst. During her graduation, she completed her internship in Data Science from IIT Kharagpur and IIM Bangalore.</p>
	<p>Ms. Preeti Kumari completed her B.E. from Department of Electronics and Communication Engineering in 2017. She is presently posted as Associate Consultant at ZS Associates. She is an experienced business technology analyst with a demonstrated history of working in management consulting industry. She is skilled in Python, SQL and C. She also worked in Wipro as an Project Engineer.</p>
	<p>Mr. Kabir Hora completed his B.E. from Department of Electronics and Communication Engineering in 2012. He is presently posted as a Senior Manager Software Engineer at Oracle. He joined Oracle in 2017 and worked at different designations there. He also worked at Cognizant as Program Analyst.</p>

Ms. Vellanki Vani Murthy completed her studies in Electronics and Communication Engineering in 2015. She currently holds the position of R&D RF Engineer at AST SpaceMobile, a cutting-edge space technology company. Prior to her role at AST SpaceMobile, Ms. Vellanki gained valuable research experience in academia and industry. She served as a Graduate Research Assistant at the University of Houston, where she actively contributed to research projects in her field of expertise.

Mr. Niladri Saha completed his B.E. from Department of Electronics and Communication Engineering in 2011. Currently, he is Creator Strategy at YouTube Shorts. He also worked in various positions in YouTube Shorts. Before joining YouTube, he was Senior Program Manager at Google. He also completed his Master's degree from IMT, Ghaziabad.

Mr. Manish Rai completed his B.E. from Department of Electronics and Communication Engineering in 2012. He is presently working as Sr. Data Scientist in Nordstorm, USA. He completed his Master's degree in Data Science from University of Minnesota. He had vast experience in data science and worked in different companies such as Target, Zooniverse and Nerdly.

Ms. Nandita Goel completed her B.E. from Department of Electronics and Communication Engineering in 2011. She is presently working as Senior Manager-Machine Learning at Walmart Global Tech, Canada. She completed her MS from Carnegie Mellon University in IT with specialization in Data Science. Previously, she worked in companies like Johnson & Johnson, Bosch and Store No.8 in the field of data science.

**Program Name: Bachelor of Technology in Electrical & Electronics Engineering**

**Notable Alumni**

	<p>Ms. Eliza Rungta completed her B.E. from Department of EEE in 2011. She is an Indian Army Officer and presently designated as Major. She joined Indian Army as Lieutenant in 2012. After one year, she was promoted as Captain and in 2017, she was promoted as Major. She got her specialization in Radar Engineering from Military College of Electronics and mechanical Engineering. She also worked as a Liason Officer for Indian Army-IIT joint R&amp;D project.</p>
	<p>Ms. Nupur Tiwary completed her B.E. from Department of EEE in 2011. She is currently posted as Assistant Vice President in Credit Suisse, Poland. Before the joining in Credit Suisse as AVP, Ms. Tiwary also worked at various positions in Genpact, Ericsson, Morgan Stanley and Oracle. She is having 10+ years of experience in Infrastructure Development and E2E Automation for Product Companies, Investment Banking and Telecom domain.</p>
	<p>Mr. Smit Shukla completed his B.E. from Department of EEE in 2018. He is presently posted as Electrical Power Engineer at Energy Solutions B.V., Netherland. He completed his Master's degree from Delft University of Technology, Netherland. He also completed his summer internship from Bhabha Atomic Research Centre and worked as Powertrain Engineer in Silverwing, Neatherland.</p>
	<p>Mr. Atul Kumar Gupta completed his B.E. from Department of EEE in 2017. He worked as Assistant Manager in Excide Industries till 2020. After getting some experience from industry, he completed his Master's from IIM Banglore. He is presently working as Manager in Alvarez&amp; Marsal.</p>

	<p>Mr. Nitish Singh completed her B.E. from Department of EEE in 2013. He is Founder of CampusX, an online education platform built to bridge the industry-academia skill gap by providing quality online Mentorship programs. He was also the Managing Director of Logicvilla Technologies Pvt Ltd. He also worked in Cognizent as Program Analyst Trainee.</p>
	<p>Mr. Nikhil Mishra completed his B.E. from Department of EEE in 2013. He is presently working as Assistant Vice President at Barclays UK. Before joining Barclays, he worked in Infosys, Accenture, TCS and IBM at various positions.</p>
	<p>Ms. Apurva Pathak completed her studies in Electrical and Electronics Engineering (EEE) in 2012. She currently holds the position of Engineer at Qualcomm CDMA Technologies, a leading technology company. Prior to her role at Qualcomm, Ms. Pathak gained valuable experience in research and academia. She worked as a Research Assistant at Fraunhofer, where she actively contributed to research projects and gained expertise in her field. Additionally, Ms. Pathak pursued Master's Degree at RWTH Aachen University for further enhancing her knowledge and skills in the field of EEE.</p>

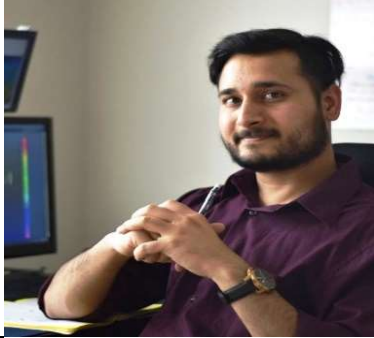

**Program Name: Bachelor of Technology in Mechanical Engineering**

**Notable Alumni**

 A portrait of Mr. Romit Maulik, a man with dark hair and glasses, wearing a blue and white plaid shirt over a green t-shirt. He is standing outdoors with green foliage in the background.	<p>Mr. Romit Maulik completed her B.E. from Department of Mechanical Engineering in 2012. He completed his Master's and Ph.D. in Mechanical and Aerospace Engineering from Oklahoma State university. He also completed her Post Doctoral Fellowship in scientific machine learning for computational fluid dynamics. Presently he is posted as Assistant Computational Scientist in Argonne National Laboratory, USA. He also worked as Research Assistant Professor in Illinois Institute of Technology.</p>
 A portrait of Mr. Ashish Ranjan, a man with short dark hair, wearing a blue and white striped shirt. He is sitting in an ornate, brightly lit interior space.	<p>Mr. Ashish Ranjan completed his B.E. from Department of Mechanical Engineering in 2016. Presently, he is working as Associate Projects in Cognizant. Previously he also worked as a Trainee and Program Analyst in Cognizant.</p>
 A portrait of Mr. Vinay Krishna Sharma, a man with dark hair and glasses, wearing a yellow shirt. He is looking directly at the camera against a plain white background.	<p>Mr. Vinay Krishna Sharma completed his B.E. from Department of Mechanical Engineering in 2014. Presently, he is a Research Scholar in Intelligent Inclusive Integration Design Lab at the Centre of Product Design and Manufacturing, IISc Bangalore. He Completed his Master's from IIT ISM, Dhanbad in Maintenance Engineering and Tribology.</p>
 A portrait of Mr. Amit Sah, a man with dark hair and glasses, wearing a light blue button-down shirt. He is smiling and standing in an office environment with a computer monitor and a whiteboard visible in the background.	<p>Mr. Amit Sah completed his studies in Mechanical Engineering in 2013. He currently holds two key positions - Co-founder at Zoplar and Head of International Business at Pristyn Care. Prior to his current roles, Mr. Sah served as a Senior Manager at OYO. He also worked as a Program Manager at Ola. Mr. Sah's experience also includes working as a Strategy Consultant at IBM.To further enhance his business acumen, Mr. Sah pursued an MBA from IIM Bangalore, which equipped him with the necessary skills to excel in the corporate world. With his background in Mechanical Engineering, coupled with his diverse experience in program management, strategy consulting, and leadership roles.</p>

Mr. Prakhar Singh completed his B.E. from Department of Mechanical Engineering in 2012. He completed his Master's degree from University of Maryland- A. James Clark School of Engineering. Presently, he is working as Senior Mechanical Engineer-Automation in CTDI, USA. He also worked at different positions in Dejana Truck & Utility Equipment and YAMAHA motors before joining CTDI.

Mr. Prateek Kulkarni completed his B.E. from Department of Mechanical Engineering in 2012. He completed his Master's degree in mechanical and aerospace Engineering from Oklahoma State university. Presently he is working as Sr. Associate and Project Manager at Vibro-Acoustic Consultant. He also worked at various position in Ophir Corporation, United Launch Alliance, iLenSys Technologies and Plazma Technologies.

Mr. Faiyaz Ahmad completed his B.E. from Department of Mechanical Engineering in 2011. Presently he is posted as Scientist/ Engineer -SD in UR Rao Satellite Centre, ISRO.
