

Examination Department

No: 127/ 2022-23 (EO-Section-I)

Dated: April 25, 2023

To Whomsoever It May Concern

The Institute follows the below grading pattern in an examination and the formula for S.G.P.A. and Conversion formula for C.G.P.A into Percentage are given below:

➤ **Formula for S.G.P.A**

$$\text{S.G.P.A.} = \frac{\text{Total No. of Credit Points Secured in a Semester Exam}}{\text{Total No. of Credit(s) Registered in the Semester}}$$

➤ **Conversion formula for C.G.P.A:**

$$\text{C.G.P.A.} = \frac{\text{Aggregate of Points Obtained in All Semesters}}{\text{Total Numbers of Credits Earned}}$$

➤ **Conversion formula for C.G.P.A into Percentage:**

$$\text{Percentage of Marks in Aggregate} = (\text{C.G.P.A}) * 10$$

Note: The academic progress of the students in each Semester is maintained in Semester Grade Cards through S.G.P.A. The Grade Card given to the students at the end of their complete undergraduate and postgraduate programme indicates the C.G.P.A.

Students may use this certificate as per their requirements.
