

OFFICE OF THE DEAN OF RESEARCH, INNOVATION & ENTREPRENEURSHIP

BIRLA INSTITUTE OF TECHNOLOGY
MESRA, RANCHI, 835 215, INDIA
(Deemed University u /s 3 of UGC Act 1956)

Annual Report 2021 -22 **Institution's Innovation Council (IIC, BIT Mesra)**

INSTITUTION'S INNOVATION COUNCIL BIT MESRA

- **VISION**

To create a vibrant local innovation ecosystem and start-up supporting mechanism in BIT. Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework. Establish Functional Ecosystem for Scouting Ideas and Pre-incubation of Ideas. Develop better Cognitive and Design Thinking Ability for Technology Students.

- **FUNCTIONS**

1. To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
2. Identify and reward innovations and share success stories.
3. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
4. Network with peers and national entrepreneurship development organizations.
5. Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
6. Organize Hackathons, idea competition, mini challenges etc. with the involvement of industries.

- **OUR JOURNEY**

Since our establishment (October 2018), IIC Birla Institute of Technology Mesra, has consistently made the requisite efforts to thrust the innovation and start-up ecosystem amongst the students and faculty. The response of the participants in our informative sessions and events are a testimony to our claims. A separate Deanship has been created for Research, Innovation and Entrepreneurship. Today we are proud of the ecosystem that has been developed in the institute, and we see ourselves growing exponentially in the coming times.

- **DIVERSITY**

Our team consists of experienced individuals from various departments of our institution. We promote diversity on all fronts, may it be student participation or even the initiatives taken by our esteemed team of faculties.

Brief mention of key functionaries at the IIC Institute

Webinar on "Accelerating Innovation through WIN".

by

**Dr. G.P. Mishra, Professor, Department of Management, BIT Mesra,
Jaipur Campus**

06.04.22

Institution's Innovation Council, BIT Mesra has organized a webinar on "*Accelerating Innovation through WIN*" on 06.04.22 in MS Teams platform. This webinar intends to reveal the various tools and opportunities available within the WIN platform, and also that provide a live demonstration of WIN tools which help the students in reducing the time to develop products, commercialize, and to market their products with the help of top Indian companies. This webinar conducted for faculty and students for BIT to define and convert their specific needs into a framework as well as achieving the success of new Startups business model and implementation.

The screenshot displays a Microsoft Teams meeting interface. The main content area shows a presentation slide from 'peafreeer' titled "ACCELERATORS BY FMCG MNCS for scale-up of start-ups". The slide lists various initiatives such as "Learn about Connect+ DevOps, Current Product Development Needs, Open...", "Innovation through Collaborative | The Unifier Roundly", "Q&A: Innovation - The State of the Industry", "Partnering with Start-ups | DeepDoubt", "PSPIC3: Open Innovation", "The Bridge to Goa - Case", "Bendroff Partnership with Start-ups", "Ready 2-0 Accelerator - Helping Start-ups to Thrive", "MESSE Good", "Bendroff Partnership with Start-ups", "Early Regime - Partnering with Start-ups", "FMCG Partners - Start-ups Collaborating in partnership with entrepreneurs...", and "L'Oréal Group Open Innovation".

The meeting interface includes a top bar with "Request control", "People", "Reactions", "More", "Camera", "Mic", "Share", and "Leave" buttons. A notification states "Recording has started. This meeting is being recorded. By joining, you are giving consent for this meeting to be recorded. Privacy policy". The "Participants" list on the right shows 14 attendees, including Anand Prasad Sinha, ABHJEET KUMAR, Abinash Panikaj (Guest), Alok Pandey, Ankur Agarwal, AP Krishna, Anura Malik, ASHA PRASAD, ASHUTOSH KUMAR, Ashutosh Mishra, and Emrendu Pathak. The speaker, Ganesh Prasad Mishra, is visible in a video window on the right side of the screen.

“Innovation and Startup Policy Awareness Workshop”

by

Dr. C. Jeganathan, Dean. RIE & President IIC-BIT

- Final Decision and Award by Startup Standing Committee (SSC) comprising Dean (RIE) - Chairman, Dean (FA), Dean (SA), Dean (UG), Dean (PG), Registrar, HODs of Faculty/Student Department.

STARTUP POLICY

Abstract

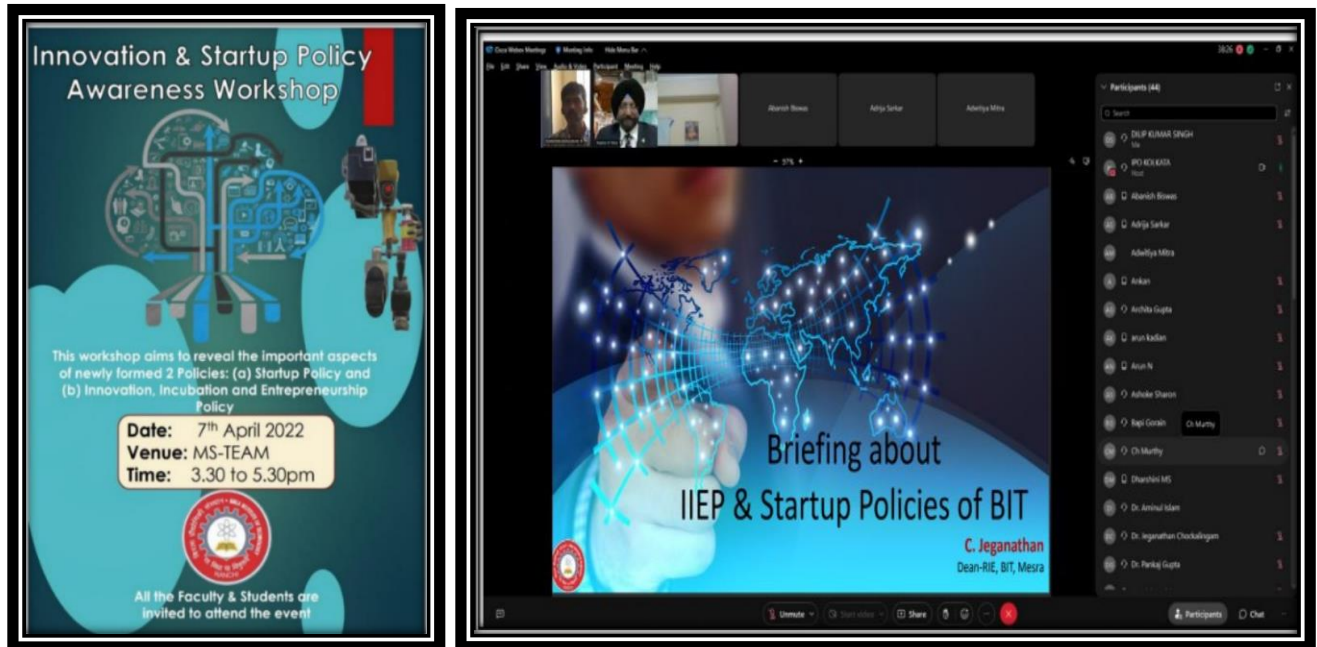

- To motivate and engage students and faculties in startup activities.
- To facilitate creating a sustainable environment to promote student and faculty members to develop a new startup.
- To provide ecosystem at Institute for creating new IP, new product, Institute-Industry relation, employability, along with social responsibility.
- To encourage Faculty and Students to participate in economy creation for nation by imparting their skill and knowledge services to startup companies either as Director/Mentor/Partner without affecting the academic norms-regulations of the Institute.

TYPE OF COMPANIES SUPPORTED

Two Types of Startup Companies will be encouraged by BIT under this policy:

1. Companies jointly owned by faculty members and/or students with possible partners outside these groups.
2. Companies owned by a faculty member or student along with/without possible /mentors from outside

Ideas that are the direct results of research and innovation carried out by Faculty/ Students of BIT are encouraged to pursue/ initiate business under this policy.

WEBINAR: “CONVERTING RESEARCH TO PATENT” **(26.04.2022)**

Institutions' Innovation Council (IIC-BIT) collaboration with Intellectual Property Right Cell BIT Mesra has conducted the webinar on “CONVERTING RESEARCH TO PATENT” for BIT faculty members\ Ph.D. Scholars \Students. The session was conducted on MS Team Platform on 26.04.2022. Dr. Rahul Kapoor, Founder & Director-Turnip innovation has delivered the lecture & discussed the various aspects of mind set convert ideas and importance of invention. Intellectual Property Rights awareness is vital to generation of IPRs and then commercialization of IPRs with phenomenal growth of the Indian economy. He talked about the inadequate knowledge about the rights of individuals to protect their ideas and innovations and low awareness about the procedures involved in obtaining an IPR has hindered India's growth in Intellectual Property. He acknowledged the importance of innovation to tackle global challenges which was launched various initiatives keeping in mind the unique challenges of the Indian academic ecosystem. He is also brief about the importance of patents drawing. A patent is an exclusive right to an invention that introduces a new solution or a technique. He described that if you own a patent, you are the only person who can manufacture, distribute, sell, or commercially use that product. Patents are usually granted for a period of 20 years. In this webinar around more than 65 attendees were present and after over the session, Q&A was discussed.

CONVERTING RESEARCH TO PATENT

ORGANIZED BY IIC & IPR CELL BIT MESRA

"Quizance"

22nd December'21 & 23rd December'21

Finance Club of BIT Mesra association with Institution's Innovation Council BIT Mesra has magnificently conducted the event "Quizance" a business case competition. In this event two rounds were conducted on 22nd December'21 and 23rd December'21 respectively. With over 200+ registered teams and 300+ participants, the event turned out to be a huge success. The event was organized by the club's executive members under the guidance of Dr. Anand Prasad Sinha, Faculty Advisor & Co-Convenor of IIC BIT Mesra Ranchi, The First Round consisted of a quiz that carried MCQs. Top eight erudite teams which was nominated for their performance to advance for the final round were:

- Team Harsh Gupta
- Team AK-47
- Team Anshara Siddiqui
- Team Plus minus
- Team Revanchist
- Team Powerbrokers
- Team RCB
- Team Bunch of Counts

For the final round teams participated in a mind-bending quiz. Some mind-blowing questions were put forward and the smart talents from all across the country tried their best to answer them using their intellect. Participants maneuvered the core ethics of business and finance.

ENIGMA- (26.02.22) **(Technical Case Study Competition)**

The poster for the ENIGMA Science Fest is set against a dark purple background. On the left, the event title 'ENIGMA SCIENCE FEST' is written in large, bold, yellow and white letters. Below the title, it specifies 'TEAM SIZE : 2 -3' and 'CASH PRIZE UPTO 10K'. The date and time are listed as '26th FEBRUARY' at '1 PM', and the location is 'LECTURE HALL / MS TEAMS'. At the bottom left, there are social media icons for LinkedIn, Instagram, and Facebook, along with the handles '@robolution.bitm' and '@financeclub_bitm'. On the right side, a large white circle contains various icons related to finance and technology, including a clock, dollar signs, Bitcoin symbols, a magnifying glass, and the word 'Blockchain'. Above this circle, the logos for 'FINANCE CLUB BITM INSTITUTE OF TECHNOLOGY, MESRA' and 'INSTITUTION'S INNOVATION COUNCIL (Ministry of IIRD Initiative)' are visible. At the bottom right, there is a green and yellow location pin icon with 'EV' inside, and two phone numbers: '7007137801' and '9693164695'.

Institute Innovation Council (IIC-BIT) collaboration with the Finance Club and Robolution Club of BIT Mesra organized a Technical Case Study Competition “ENIGMA” on 26.02.22 in the eve of National Science Day. This event challenges and provides a platform to the students to showcase their strategic, technical and business acumen.

The details of the competition are as follows:

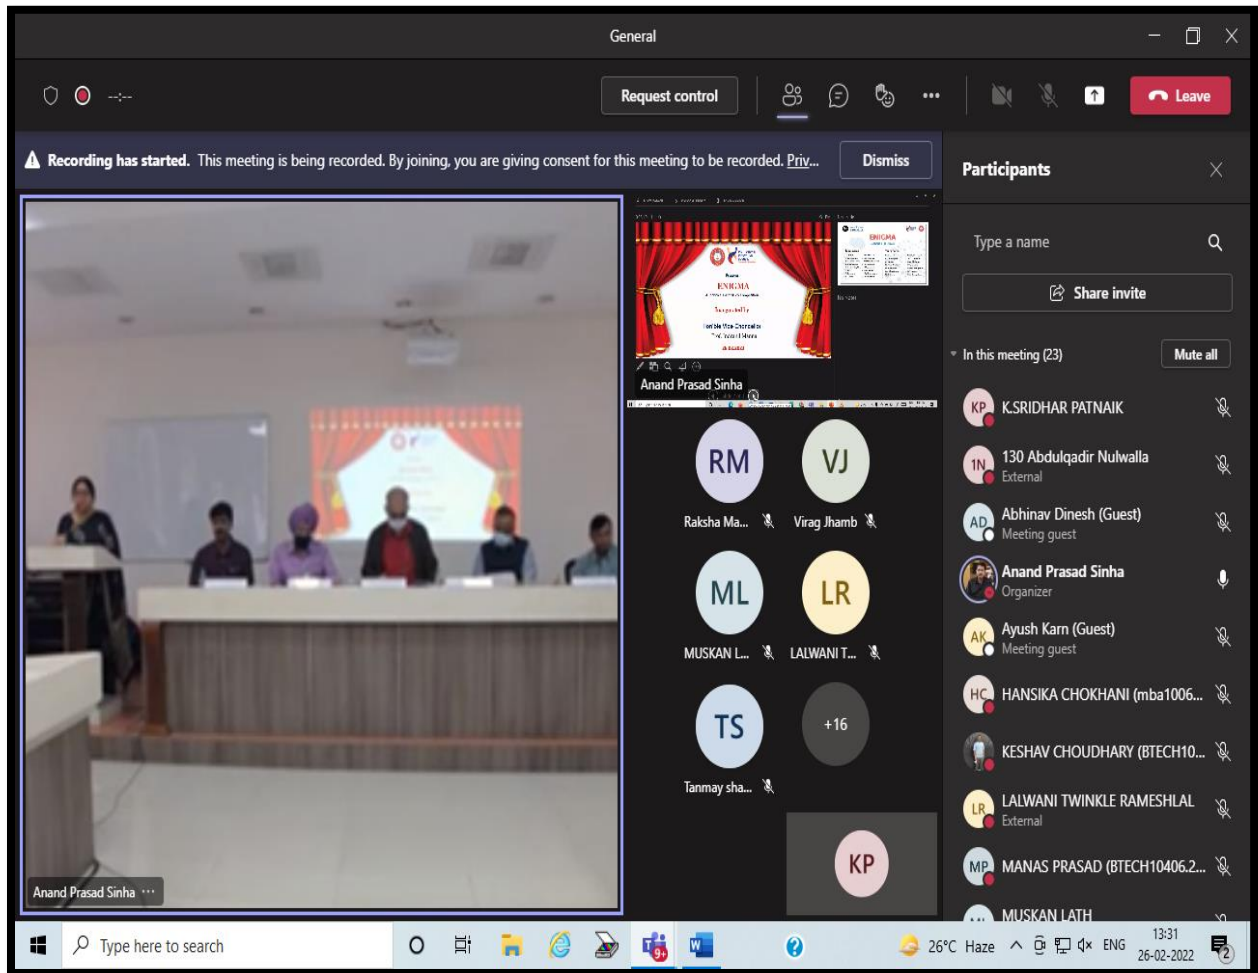

- The competition consisted of two phases. The first phase consisted of a quiz on the basis of current general knowledge areas and the second phase consisted of a case study presentation on a particular topic in the field of EV & Block chain Technology. Total 80 teams were participated from all top colleges in India like IIT, IIM, XLRI, BIT Mesra NITIE Mumbai, VIT Chennai, DEEN collage New Delhi etc. Round one of the competitions was conducted successfully on 24th February via Google form & D2C platform, in which 15 teams were qualified for the 2nd round for final technical case study presentation. The final team list has mentioned below.

ENIGMA

“30 Hours Non-Credit Workshop on Strategic Finance”

29th January, 2022 -9th April 2022

Finance Club of Birla Institute of Technology, Mesra, in collaboration with the Institution's Innovation Council (IIC, BIT Mesra), conducted the inauguration ceremony for the “30 Hours Non-Credit Workshop on Strategic Finance” on 29th January, 2022 via online platform Microsoft Teams.

- The inauguration ceremony witnessed more than 500 participants actively partaking in the event which served to encourage them to attend the workshop, as well, which saw a massive registration drive with more than 700 confirmed entries.
- The chief guest of the evening **Mrs. Bala Kumari, Deputy General Manager, SEBI, Ranchi** who lifted the curtains and inaugurated the opening ceremony for the workshop. In her opening speech she talked about importance of investing and how the knowledge of finance helps us get a kickstart in the field of trading.
- The Guest of honor, reputed **Colonel Sukhpal Singh Khetarpal (Retd.), Registrar** of Birla Institute of Technology, Mesra, with exemplary interpersonal and leadership skills, a positive administration style delivered the keynote address which further motivated the attendees. He emphasized on the idea of inducing financial awareness in every student and how the knowledge of these little things can help us take meaningful decisions and lead a successful financial life.
- **Dr. C. Jeganathan, Dean of Research, Innovation, and Entrepreneurship**, Dr. A.N.Jha, Professor, Management Department, BIT Mesra, Associate Dean (SA) Dr. K. Sridhar Patnaik, Dean of Alumni Relations Mr. Vishal H. Shah, and Associate Professor Dr. Vijay Nath shared their thoughts on the goal and approach and the motive of the workshop, which is methodically structured in a format for gradual and stepwise progression from the fundamentals to enigmatic financial topics like taxation management, and various finance software's.
