

**INSTITUTION'S
INNOVATION
COUNCIL**
(Ministry of HRD Initiative)

National Energy Conservation Day/National Science Day

Institution's Innovation Council, Birla Institute of Technology Mesra organized a webinar on the topic "*Technology Interventions on Bio-Fuel Production using Municipal and Industrial Organic Solid Waste for Enhanced Thermal Conversion Efficiency*" by Dr. P. Shanmugam 28.02.22 in Hybrid Mode. More than 100 participants attended the Webinar

National Science Day

Institution's Innovation Council, Birla Institute of Technology Mesra

Presents

A webinar on

TECHNOLOGY INTERVENTIONS ON BIO-FUEL PRODUCTION USING MUNICIPAL AND INDUSTRIAL ORGANIC SOLID WASTE FOR ENHANCED THERMAL CONVERSION EFFICIENCY USING IN AUTOMOBILES"

Date : 28.02.2022

Venue : CAT Hall BIT Mesra

Dr. P. Shanmugam

Head of Dept. & Chief Scientist, Professor of AcSIR
Environmental Science Department
CSIR- Central Leather Research Institute ADYAR
Ministry of Science & Technology Govt. of India
