PREAMBLE

The Innovation, Entrepreneurship, and Startup club at Birla Institute of Technology, MESRA, NOIDA Campus organised a celebrity event on Chandrayaan III on 13th September 2023 at 12:30pm. The event was celebrated in the form of a quiz followed by the video of Honourable Prime Minister Mr. Narendra Damodar Das Modi. The event continued for two hours with approximately 65 students in the auditorium of Birla Institute of Technology NOIDA Campus. The students from Computer Science, Management and Animation Department participated in the event.

Objective

The aim of this activity was to disseminate the knowledge among the students. It encouraged the students to participate and discuss the scientific reasoning behind this mission. The quiz is organized as part of the celebrations honouring India's remarkable feat in space exploration with the aim "to explore the wonders of the moon, and to demonstrate our love of science and discovery." On 23rd August 2023, the world witnessed the momentous occasion of Chandrayaan 3's flawless moon landing, making India the first nation to do, so close to the moon's south pole. This quiz on Chandrayaan 3 aims to engage students in understanding the significance and successful outcomes of this lunar mission, which has put India on the global stage yet again, in the field of space research and technology. The aim of the Chandrayaan 3 Quiz is to celebrate the success of India's lunar mission and encourage students to explore more about Chandrayaan 3. The quiz comprises 20 MCQ-type questions, attempted in 20 minutes. The first five successful candidates were awarded with the bags and certificates. The volunteers' students made the event success who were presented with the certificates.
