Dear Mr. Upendra,

I hope this email finds you well.

I am writing to express my sincere gratitude for the valuable time you spent with us on 18th July. Our discussion about the future planning of Startly Innovation Pvt Ltd, including the insights on mentorship, market access, and GEM portal access, was incredibly helpful. Your guidance has provided us with a clearer path forward.

We are particularly grateful for your consideration regarding the allocation of a workplace at the Incubation Center, Birla Institute of Technology, Patna. This support will be instrumental in our growth and success.

Thank you once again for your invaluable assistance and support. We look forward to staying in touch and keeping you updated on our progress.

Best regards,

Harishankar Kumar
