

Alumni Placement Mentors for 2025 batch

We extend our sincere gratitude to our alumni who served as Student Placement coordinators over the last 10 years for giving their consent to serve as Placement Mentors to the batch graduating in 2025. Your decision to offer your invaluable time, expertise and guidance to the current batch speaks volumes about your commitment to the progress of your Alma Mater. Your mentorship will not only provide invaluable support but will also foster a sense of connection and continuity within our alumni network. Thank You!
