Launch your aviation career with the Drone Pilot Certificate Course at BIT Mesra.

A new chapter in drone education begins at Birla Institute of Technology, Mesra, Ranchi! BIT Mesra Remote Pilot Training Organisation (RPTO) is officially approved by the Directorate General of Civil Aviation (DGCA), Government of India — making it the one and only DGCA-approved RPTO in Jharkhand.

Offered at University Polytechnic, BIT Mesra, this program delivers structured, career-focused training to produce certified and industry-ready drone pilots.

Key Course Highlights:

DGCA Authorized Certification: Earn your official Drone Pilot Certificate / License.

Practical & Simulation Training: Hands-on experience with DGCA-approved simulators, dedicated labs, and live drone flying sessions.

Career-Focused Support: Modern infrastructure paired with comprehensive job placement assistance.

State Exclusivity: The one and only approved RPTO facility across Jharkhand.

Eligibility Criteria:

Education: 10th Class Certificate

Age Limit: 18 – 65 Years

Documentation: Valid Government ID

✨Train. Certify. Fly.

Location: University Polytechnic, BIT Mesra, Ranchi
