

## **ACTION TAKEN REPORT**

SP 20

Some teachers are of the view that the course is not a balanced combination of fundamental and applied knowledge . Some teachers don't find the textbook as appropriate and don't find the time as enough to teach the syllabus.This has been noted and will be put forward before the syllabus forming committee in the next syllabus revision time.

MO20

Some teachers are of the view that the syllabus is not very much as per industry needs. This has been noted and it will be put forward before the syllabus forming committee when the next syllabus revision takes place. Unfortunately, due to pandemic situation it has not yet taken place.
