From the above satisfaction level of the Teacher following points concluded:

1. Evaluation pattern may be modified.
2. Course can be modified to incorporate ICT tool.

#### Suggestion for improvement of Course

1. State space analysis to be covered in more details in Module 2
2. Concept of Laplace Transform must have to cover in previous semester
3. In separate module, linear time invariant networks; Evaluation of initial condition can be covered with the concept of Laplace Transform for circuit analysis.
4. The syllabus can be rearranged.

**From the above points the following remedial measure can be taken for the improvement of the course and program:**

1. Rearrangement of the topics to be done.
2. Filters included in module V can be removed.
