## APPROVED LIST OF JOURNALS

| Sl. No. | Name of the Journals                                                           |  |  |  |
|---------|--------------------------------------------------------------------------------|--|--|--|
| 31. No. | ACTA ALIMENTARIA                                                               |  |  |  |
| 2       |                                                                                |  |  |  |
| 3       | ACS Catalysis ACS Sustainable Chemistry & Engineering                          |  |  |  |
| 4       | Advanced Composite Materials                                                   |  |  |  |
| 5       |                                                                                |  |  |  |
| 6       | Advanced Manufacturing: Polymer & Composites Science Analytica Chimica Acta    |  |  |  |
|         | Analytica Chimica Acta                                                         |  |  |  |
| 7       | Annals of the University Dunarea de Jos of Galati, Fascicle VI-Food Technology |  |  |  |
| 8       | Annual Review of Food Science and Technology                                   |  |  |  |
| 9       | Antioxidants                                                                   |  |  |  |
| 10      | Applied Composite Materials                                                    |  |  |  |
| 11      | Applied energy                                                                 |  |  |  |
| 12      | Applied Food Biotechnology                                                     |  |  |  |
| 13      | Applied Surface Science                                                        |  |  |  |
| 14      | Applied surface science                                                        |  |  |  |
| 15      | Applied thermal engineering                                                    |  |  |  |
| 16      | Applied Catalysis A: General                                                   |  |  |  |
| 17      | Applied Catalysis B: Environmental                                             |  |  |  |
| 18      | Biomass and Bioenergy                                                          |  |  |  |
| 19      | Bioresource Technology                                                         |  |  |  |
| 20      | BIOSCIENCE BIOTECHNOLOGY AND BIOCHEMISTRY                                      |  |  |  |
| 21      | Bioscience of Microbiota Food and Health                                       |  |  |  |
| 22      | Biosensors and Bioelectronics                                                  |  |  |  |
| 23      | BIOTECHNOLOGY PROGRESS                                                         |  |  |  |
| 24      | Brewing Science                                                                |  |  |  |
| 25      | British Food Journal                                                           |  |  |  |
| 26      | Bulletin of Materials Science                                                  |  |  |  |
|         | Bulletin of University of Agricultural Sciences and Veterinary Medicine Cluj-  |  |  |  |
| 27      | Napoca-Food Science and Technology                                             |  |  |  |
| 28      | Canadian Journal of Chemical Engineering                                       |  |  |  |
| 29      | Carpathian Journal of Food Science and Technology                              |  |  |  |
| 30      | Case Studies in Thermal Engineering                                            |  |  |  |
| 31      | Catalysis Communications                                                       |  |  |  |
| 32      | Catalysis Science and Technology                                               |  |  |  |
| 33      | Catalysis Today                                                                |  |  |  |
| 34      | Catalysts                                                                      |  |  |  |
| 35      | Ceramics international                                                         |  |  |  |
| 36      | CEREAL CHEMISTRY                                                               |  |  |  |
| 37      | ChemCatChem                                                                    |  |  |  |
| 38      | Chemical Communication                                                         |  |  |  |
| 39      | Chemical engineering journal                                                   |  |  |  |
| 40      | Chemical Engineering Science                                                   |  |  |  |
| 41      | Colloids and Surfaces A: Physicochemical and Engineering Aspects               |  |  |  |
| 41      | Composites Communications                                                      |  |  |  |
| 42      | Composites Communications                                                      |  |  |  |

| 43 | COMPREHENSIVE REVIEWS IN FOOD SCIENCE AND FOOD SAFETY                        |
|----|------------------------------------------------------------------------------|
| 44 | COMPUTERS & FLUIDS                                                           |
| 45 | CRITICAL REVIEWS IN FOOD SCIENCE AND NUTRITION                               |
| 46 | Culture Agriculture Food and Environment                                     |
| 47 | Current Nutrition & Food Science                                             |
| 48 | Current Opinion in Food Science                                              |
| 49 | Current Research in Food Science                                             |
| 50 | Current Research in Nutrition and Food Science                               |
| 51 | DEUTSCHE LEBENSMITTEL-RUNDSCHAU                                              |
| 52 | Diamond and related materials                                                |
| 53 | Electrochemistry communications                                              |
| 54 | Electrochimica Acta                                                          |
| 55 | Emirates Journal of Food and Agriculture                                     |
| 56 | Energy                                                                       |
| 57 | Energy and Fuels                                                             |
| 58 | Energy storage materials                                                     |
| 59 | Energy Conversion and Management                                             |
| 60 | European Polymer Journal                                                     |
| 61 | Fibers and Polymers                                                          |
| 62 | FLEISCHWIRTSCHAFT                                                            |
| 63 | Food & Function                                                              |
| 64 | Food & Nutrition Research                                                    |
| 65 | Food Additives & Contaminants Part B-Surveillance                            |
| CC | Food Additives and Contaminants Part A-Chemistry Analysis Control Exposure & |
| 66 | Risk Assessment                                                              |
