ProgramiX Club

About ProgramiX Club

Our Programming Club is a vibrant community dedicated to enhancing coding skills, fostering innovation, and promoting collaboration among tech enthusiasts. We provide opportunities for students to participate in coding competitions, hackathons, and exclusive workshops. Members also gain access to mentorship programs and networking opportunities with peers and industry professionals. Together, we learn, grow, and excel in the world of programming, creating a supportive environment for everyone to thrive.

Teacher Coordinator

1. Dr. Madan Mohan Sir
2. Dr. Pankaj Gupta Sir

Core Team Members

1. Charchit Jain:- Treasurer & Management Lead
2. Vansh Jain:-Social Lead & DSA Co-Lead
3. Aditya Goyal:-DSA Lead & Java Lead
4. Aviral Sharma:-Data Science Co-lead & Python Co-lead
5. Mehak Jha:-Data Science Lead & Web Development Co-Lead
6. Karishma Jethwani:-Web Development Lead & Java Co-Lead
7. Shreya Verma:-Python Lead

Programming Club Induction Program - 13th February 2025

Our Programming Club Induction Program, held on 13th February 2025, was a successful event that welcomed new members to our vibrant community. The session introduced participants to the club's vision, activities, and opportunities for growth.

We were honored to have our HOD **Dr. Shripal Vijayvargiya Sir**, along with our mentors **Dr. Madan Mohan Sir** and **Dr. Pankaj Gupta Sir**, who delivered inspiring speeches. Their words of encouragement motivated students to actively participate in club activities, develop their skills, and strive for excellence.

The event also highlighted upcoming workshops, coding competitions, and mentorship programs, emphasizing the importance of collaboration and continuous learning. With enthusiastic participation, the induction program set the stage for an exciting journey of coding, innovation, and skill development for all members.
