Motto of the Club:

This club aims to develop the technical grounds for interested scholars and focuses on enriching them with exposure and knowledge. We believe in preparing teams for Hackathon, skill India, and many more platforms. We are sincerely concerned with building projects which are economically feasible and viable. The motive of this club is to inculcate technical ideas into students and to make them work on these ideas by providing them with help.

Xordium 2022 Event Report

Xordium is the annual flagship event of TC: EC which aims to provide a platform to students where they can showcase their skills and creativity. Xordium was conducted from 20th January 2022 to 23rd January 2022. The list of events and expenditure is mentioned below.

1. Technocrat of the Year

Date of Event: 21st January 2022 and 23rd January, 2022
Platform: Google forms for submissions, Dare 2 Compete for First Round, Google Meet Platform for the final round
List of Participants:
https://docs.google.com/spreadsheets/d/1TuBLexRcocYhtDcLPh5qv9tCbGHcy_EzACn93J3C2ks/edit?usp=sharing

Technocrat of The Year 2022 was intended to provide a platform for the incoming batch of 2021 to showcase their Technical skills. A series of competitions and challenges was organized to determine the 'Technocrat of the Year-2022."
Round 1: Participants had to clear the first round comprised of Physics Chemistry Math and Basic Coding Questions. Top Scorers of the First Round advanced to the second round.
Round 2: The second round was a seminar type paper presentation competition, in front of our judges on any self-made projects or any of the provided problem statements.

2.Exuberance

Date of Event: 20th January 2022 and 22nd January, 2022
Platform: Google forms for submissions, Google Meet Platform for the final round
List of Participants:
https://docs.google.com/spreadsheets/d/1jZHAhecjKTYZJzcocdsUGkMLO0co0BqgiLafNWswrs0/edit?usp=sharing

Exuberance: A Research Paper-Presentation Contest was conducted under the umbrella of Xordium 2022 to ignite the zest of research amidst the students. It comprised two cut-throat challenges.
Round 1: Participants had to devise a short abstract for their research work and submit it.
Round 2: The selected contestants were asked to present their research in front of an esteemed jury.
The event witnessed immersive participation from the student body. The top 2 winners were handsomely rewarded with cash-prizes. Exuberance was ultimately rendered a colossal success.

3. Enigma

Date of Event- 20th January 2022 and 22nd January 2022
Platform- MySwots (Round 1) and NI Multisim (Round 2)
List of Participants:
https://docs.google.com/spreadsheets/d/1fw7g990tZzyytQrNMXBz9JYPdXfMu4oFvoMlFWZ0gNY/edit?usp=sharing

Under Xordium 2022 Enigma, a circuit designing competition was successfully organized which consisted of 2 rounds. The event was open for all and saw huge participation from electronics enthusiasts.
The 1st round tested participants on the basis of 25 questions of basic electrical and electronics. The 2nd round saw qualified participants competing against each other by designing 4 electronics circuits on Multisim software.

4. Fuzzy Loops
Date of Event- 23rd January 2022
Platform- Hackerrank
List of Participants:
https://docs.google.com/spreadsheets/d/1zYp0Gch3aZWzFeW5Wv4T1aroOWxlDhqmTftEgIMdEfc/edit?usp=sharing

TC:EC conducted a coding competition "Fuzzy Loops" for students having a knack for coding. It was a coding competition, hosted on Hackerrank platform on 23rd January 2022 from 5pm to 7pm. The competition contained 4 rated and 3 unrated questions. Around 50+ participants' responses were recorded and only the top three were awarded with cash prizes.

5. Spyfall

Date of Event- 22nd January 2022
Platform- Discord and Spyfall website (https://www.spyfall.app/)
List of Participants:
https://docs.google.com/spreadsheets/d/11TavnWOCt8gKiV7xNW4trNf0Ga7qhHBwTTeh
