

Reporting Illegal pages in the Name of BIT Mesra

A BIT - Noida pass out student, named as Kunal Arora, created a page on LinkedIn in the name "BIT MESRA Students Industry Relation Cell". It can be accessed with the under mentioned URLs

<https://www.linkedin.com/school/bitstudenthub/>

<https://www.linkedin.com/company/bitmesrathon/>

These pages are run and monitored for personal propaganda with malicious intent of misguiding the students and alumni and maligning the reputation of a prestigious institution which has created a name in technical education in the last 65 years of its existence. The page does not have any official approval from any of the BIT Mesra campuses to promote this kind of activity. BIT Mesra's media policy and guidelines are designed with the goal to make a social work environment and institute culture open and safe for all students and alumni at all levels.

All concerned are hereby advised to stay away from such pages on LinkedIn and other social media platforms. Anybody doing so, would be doing it at their own risk.
